

THIS HAT WILL BE SPRING FAVORITE

As spring approaches Dame Fashion goes into council with her talented mind and devises just what will be the prevailing modes for the coming season. This spring there is offered a most charming assortment of new and novel bonnets in which the one shown above is truly representative although in itself distinctive. The hat is of green braid, the lines new and attractive. The bonnet is just the thing to wear with spring suits. It is simply trimmed.

OSBORN NOW UP WITH HIS MAIL

For the first time in weeks, the clerks in Secretary of State Sidney P. Osborn's office, were caught up with their mail. For the first time in many many weary days, the day's mail was being opened the same day it came in.

Gradually and with much persistence, the force of clerks and deputies have been catching up with the flood of letters demanding new auto licenses. A week ago they were a week behind, but by working overtime they managed to get everything taken care of.

Within the next week, there will be no excuse for all auto owners not having 1917 licenses.

DORT REQUIRES LITTLE GASOLINE

H. L. Kieffer, salesman for the Kissel Auto company, made a remarkable trip to Ray in a Dort five-passenger roadster last week. Three and one-half gallons of gasoline were used in this 86-mile trip, making an average slightly over 24 1/2 miles per gallon. Kieffer negotiated Superior Hill very easily in second gear and did not have a bit of motor trouble on the entire trip.

The return trip was made using four and one-half gallons of gasoline with five people in the car. Kieffer says business is very good in Ray and the merchants and miners are enjoying the present price of copper. He was successful in selling three Dort cars there, two five-passenger touring cars and one four-deck roadster.

L. J. MEAD TO LEAVE FOR SOUTH AMERICA

L. J. Mead, chief clerk in the reclamation service, with headquarters at the Water Users building, has severed his connections with the government and will leave shortly for a three-year trip through South America.

Mr. Mead has a host of friends in Phoenix who will learn with regret that he is going to leave Phoenix. In addition to his duties at the Water Users, he has found time to manage the "White Sox," one of the best amateur baseball teams in the valley.

Mrs. Mead and daughter will leave within a few days for Portland, Oregon, to visit relatives for a short trip, after which they will join Mr. Mead in Chile.

ASKS DAMAGES FROM RAY CON

Charging that his arm was permanently weakened as the result of an accident which occurred while he was in the employ of the Ray Consolidated Copper Company last November, Francisco Gonzales yesterday brought suit against the company for \$25,000.

In the complaint filed in the office of the clerk of the superior court, the plaintiff alleges that through no fault of his own he received an injury which incapacitated him from work.

Gonzales is a timberman and says he was working in a tunnel of the Indio mine when a boulder fell from the roof, breaking his right arm between the wrist and elbow.

Young Men!

Get ready to play the game, in sport or business, harder than ever this season. Make 1917 count big on the scoreboard of life. Get away for an "end run" around a big idea or two. Don't dally with the "little things". Hit for a home-run to success, or nothing.

Your clothes are a big factor in your efforts toward achievement. If you are dressed as a partner to success, you'll get credit for traveling in his company. That's a big boost in itself.

No young man ever went out of a clothing store better clothed, than do the young men of this community who come to this live store and leave it in our

Kuppenheimer Clothes

That's because The House of Kuppenheimer has caught the spirit of young men and put it into all their young men's styles. Kuppenheimer

Clothes are designed by young men, who have, themselves done things, and who know what young men's needs in clothes actually are.

Some "swift" new Spring styles on view now in our store. The one pictured is the Lenox. It's mighty popular. But it's only one of many styles this young men's store has in Kuppenheimer Clothes. See them all, today!

See The New Stetsons

for spring wear—we feature the new "Town Topic" in pearl grey, ivy green, tan, brown and hat-tleship grey—they're \$4.00

Are You Wearing a 'Walkover'?

If not, why not try a pair this season. Style and quality combined in the "Walkover," that's why they're so popular.
